HELP BOWLING GREEN WIN AGAIN!

October 1-31

Drive To A Million, the City of Bowling Green and the Bowling Green Technical College Foundation, are partnering with the "Can Man" to raise cans for cash!

1. Collect cans at home, work, and school
2. Drop them off in the large green recycling bin at any school in Warren County
3. Help the City of Bowling Green gain national recognition and win up to \$10,000 for our local schools

The Cans For Cash Challenge is sponsored by the US Conference of Mayors, Novelis Corporation, and Keep America Beautiful Inc. Sponsors are encouraging cities to recycle as many cans as possible throughout the month of October. The cities that recycle the most and have the most creative ideas could win up to \$10,000!

Bowling Green won the Cans For Cash Challenge in 2006...

Help Bowling Green WIN AGAIN!
